FIRST SKY GROUP DONATES TO THE RENAL UNIT OF KORLE-BU TEACHING HOSPITAL

First Sky Group adopted the Renal Dialysis Unit of the Korle-Bu Teaching Hospital in a ceremony held in the Renal Unit on December, 2016.

The company also paid for all the outstanding debt amounting to Six Hundred and Fifty Six Thousand cedis (GHC 656,000.00) owed by some Three Hundred and Forty (340) patients at the Renal Unit of the hospital as at December, 2016.

It further donated a seed capital of Two Million Ghana Cedis (GHC 2,000,000.00) to provide free dialysis treatment for all needy patients at the facility and provided a brand new Toyota Hilux pickup truck to the unit to facilitate its operations. First Sky Group finally pledged to replenish the fund to make it sustainable.
